

Remarks

The Examiner indicated that claims 30, 34, 37-42, 60, 66, 70-72 and 74 were objected to as dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. These claims are so rewritten by the foregoing amendments and therefore should be allowed. The remaining claims are canceled, so this case is now in condition for allowance.

Respectfully submitted,

Healing Machines, Inc.
